OrgWide Course Development and Delivery Services
Pricing and Discounts

DIR-SDD-818

Through OrgWide's custom course development services, you can author your own courses or we can develop them for you. We can also host a course on our platform or develop courses for hosting on your platform.

Our Custom Instructional Design Includes:

- Online course and testing development by professional learning specialists
- Content that applies the science of knowledge transfer to achieve effective learning
- The use of OrgWide's Course Development System to ensure your learning objectives are met and exceeded
- Performance measures to guarantee course effectiveness

Pricing & Discounts - Course/Test Content Development

Course/Test Development	Customer Discount	Customer Price
Custom (assumes Customer provides content and subject matter expert)	23%	$115.00 per hour

The Benefits of Delivering Learning Online

- Reach your dispersed audience efficiently and effectively with no traveling required
- Deliver training at user convenience
- Accessible from any Internet connected computer through secure login
- Users can set their own pace, bookmark their progress, review their overall performance and print a certificate of completion upon meeting passing requirements
- Tuition based for cost recovery, or sponsored delivery

Pricing & Discounts - Course/Test Delivery

Course/Test	Customer Discount	Customer Price/Delivery
Fee for 1-999 deliveries	25%	$22.00
Fee for 1000-5000 deliveries	32%	$20.00
Fee for 5001++ deliveries	39%	$18.00

Contact:

To achieve the benefits of online learning, contact OrgWide for details and quotes. Our DIR Representative will be happy to provide details about our services and to assist you in defining your program objectives and estimating costs for your project.
